About Enzen

Enzen is a global knowledge enterprise that focuses on gaining, refining and sharing expertise in the energy and utility sector. It provides strategic advisory and delivery of outcome-driven solutions to leading businesses, governments, non-governmental organisations and not-for-profits.

We work with customers across the value chain to deliver sustainable and lasting improvements to their efficiency and performance, adding value to their bottom line. Enzen is unique in providing a wide range of strategic advisory, engineering services and solutions end-to-end for the power, water, gas and renewable energy sectors, supported by our specialised Centres of Excellence.

Founded in 2006, the business has since grown and developed across the globe, with a presence in Australia, India, Portugal, Spain, Turkey, the UK and USA.
